Report

Well a game Renegades need to win to keep their high position in the league. The pitch was in good condition, the weather was fine and March turned up with a big pack and young backs. From the kick off for the first 10 mins of the game renegades were camped in their own half, just unable to get out but soaking up the pressure from March .

Renegades started to put good phases together and b got into March's half. After 22 minutes, Ben receives the ball from a ruck and makes a good break passing along the backs to Dave cook who feeds the ball back to Ben who scores a try which was converted by Fabs 7-0. For next 10 minutes the game is a bit scrappy from both teams. After 34 minutes, some good pressure by Gades gets them into the March 22 and a March player, having been pinged once by ref, fouls almost immediately again and is given yellow card – 10 mins off. Gades have a scrum in the 22 and Tom Powell picks up ball and drives for the try line just getting the ball on the line while taking on two players. Fab converts 14-0. That remained the score until the break.

Some changes by Gades on comes Henry, Dan Jerrad and Re and Brian 'Ryan'.

Gades kick off, good pressure and full back knocks on. Scrum and Renegades get a bit eager and penalty. Renegades scrum is very dominant. 48 mins in March player calls Richard running the line a cheat as he had his hand on the line. Yellow card 10 mins.

51 mins in Tom Powell takes out March number 8 with a very late tackle, he had obviously upset our captain! Penalty to March.

67 mins try of the game, Renegades play ball from 22 through the backs going out to Mitchell on the wing taking the ball full tilt on the half way line and burning off two players. Mitchell just has full back to beat is a metre from touchline drops right shoulder and then side steps left just staying in , full back falls for it and Mitchell passed , full back was still quick catches up with Mitchell and tackles him on try line but Mitchell gets ball down. Fab does not convert 19-0.

70 mins March come back from kick off, some sloppy play by Renegades hands March a turnover who then score a try but no conversion 19-5.

72 mins Renegades regroup and put pressure on March and get a scrum 15 yards out. Fab picks the ball up and does one of his bulldozer runs, over line but has ball ripped – no try.

76 mins March kick a penalty straight to Ben who goes on a galloping run going through four tackles, out to Tom, then Dan then to Ren and try no conversion 24-5.

79 mins renegades had not finished and from March's kick off Renegades run again from 22 and Michell goes on a searing run again getting into the March 22 out to Ben then to Lloyd and just pushed out into touch 2 yards from try line.

Good win by renegades 24-5 puts us 2nd in the league . Let's stay in this top half of the league
