Report

It was a pleasant day for rugby at Bury St Edmunds and a bonus to play on first team pitch as they are away. Renegades had a good strong team in all areas. Bury had a lot of new faces, older pack and young backs. From the off wolves pack was dominant, and even a change around in Renegades scrum did not make a difference. This meant no clean ball all day.

8 mins: in try and conversion by Bury 7-0

22 mins: Bury try, rolling maul from lineout 10 yards out, no conversion 12-0

24 mins: Gades kick off to wolves who kick through. Their winger picks up and makes for the line. A great covering tackle by Ben saves the try 10 yards from the line.

29 mins: Bury camped in our 22 ball goes out to backs and try 19-0 that was halftime score

44 mins: Wolves try from ruck to backs and try and conversion 26-0.

48 mins: Rolling maul at line out and try 31-0

52 mins: another try by bury 36-0. Young Fabio off Josh on.

58: mins: Dan Stockbridge off, Nick Skipworth on.

64 mins Jake off, Tim on

Score remained at 36-0.

Renegades never stopped competing. We were just up against a better rugby side, more drilled and efficient.
