### Report

What a lovely day it turned out to be in bonny Scotland. Playing Waid Academy in sunshine in Anstruther on the Fife coast, fantastic! Waid had a lot of players and a good vets side, we luckily had a vets side and a youth team. Waid requested that Vets team played first and last quarter.

2 mins in Waid on the attack ball out to backs, missed tackle and they score and covert 0-7. Oh dear I thought this could be a thumping.

8 mins in Gades through strong defence repel any further score and from a lineout into a rolling maul Boeey scores 5-7.

16 mins game is end to end with both teams not being able to break the game line. Darey kicks out of our half for lineout to Waid 30 yards from their line. We win line out rolling maul, sucking their players in out to backs fab hits ball full tilt, full back to beat. Fabs was twice his size and bang I think the full backs head when at least four inches back into his shoulders and flat out on his back. But it done enough to stop Fabs out to Darey just short of line, JB supporting picks ball up and try. Fab converts 12-7

Change of line up Youth team on.

I thought: "Oh dear Waid you are going to get hammered now", but this re-energised Waid, playing the youth team.

26 mins Gades in own 22 out to backs and Ben bursts through try 5-0

Game is end to end with some good tackles going in from both sides.

30 mins quick lineout to Baz who breaks through two tackles, flick out to Tom Powell , breaks through another tackle then brought down. Recycled to backs and Josh Coughlan who drops the try scoring pass.

34 mins in Gades soak up pressure of continued pick and dive by Waid of 9 phases.

36 mins ball out to backs and Waid score 5-7

40mins half time

Chris Leith off, Stan on

Josh Coughlan off Matt on

46 mins youth team still on Gades soak up Waid pressure, steal ball out to Ben who runs 60 yards to score 10-7

50 Mins Glove off Chris Leith on

56 mins Gades put pressure on Waid out to Baz to Tom Powell to Tom Heatcote and try 17-7. Baz finally converts.

60 Mins Vets on

64 mins Ball to hands out to Tom to Dan Tiezzi who shows his Brazilian magic through his legs to Tom and try. Fab converts 19-7

65 mins Dan Tiezzi off, Glove on

67 Mins Waid keep coming, ball out to their backs and try 19-12

70 mins Gades kick off to waid player hold him up and rip ball out to Rolando dummy and in for try 24-12
