Report

The fun bus departed from Cottenham just after Middy. It arrived at Henham as the fog began to get really thick. In fact, the referee started the game a few minutes early because the fog seemed to be getting thicker. Renegades faced a combination of Wendens and Saffron Walden 2 because Walden's tie with Mildenhall was postponed at the last minute.

From the kickoff, Renegades attacked the opposition and began a series of tries that were numerous with Ben P and Ross C playing outstanding rugby. The whole team played well. There are no notes of who scored what when so we will have to just go on numbers.

Ben Powell scored five tries. Ross Catchpole and Will Blackwell got two each, and Ren, Ollie and Gav got one each got one each. Fabs scored six conversions. Speedy had a fantastic game and Will got doughnut for slipping while on a long run up the left touchline.
