### Report

It was a long afternoon at Wisbech. Playing one of the top teams in our league at home was always going to be a hard shift. Doing a blow-by-blow account of the game will not cheer anybody up, so we will give it a miss. Having said that, the team put in a valiant performance and played with real skill and determination throughout.

It is important to acknowledge the excellent try scored by Tucker with great support and the conversion by Stockers. Dan's kicking was very good in windy conditions. There were epic carries by Harry, Ollie, Big Mike, Callum and Chinese and fierce tackling and attacking by Proccy. George put in a massive shift and Dan Philips had a good game at second row. Shep was harrying throughout, and Doug gave good ball and put in good tackles. Dids nearly scored a try and Will put in a great shift at full back. Slugz made some good tackles (sometimes on the second attempt!) and sacrificed his hooter for the greater good of the Renegades and Fraser made it on to the pitch (albeit only for a short while) and took the ball in well and it came back on the right side.

And we must not forget to mention Richard's bandaging of Slugz, which was in a class all of its own!

Harry for some great attacking lines and heroic carries.

Shep for transgressions too numerous to mention.
