Report

It was a hard shift at Woodbridge. Having expected to show up with 18, we only managed the bare 15 on the day. A quick try from Woodbridge was responded to well and it was a long time before they got a second. Then the floodgates opened. Renegades were 26 -0 down at half time. Sadly, the sparkle that we managed to dig out against Shelford at that point last week eluded us this week and the second half saw Woodbridge advance to a 50-0 lead in the third quarter. Renegades managed no further concessions in the fourth quarter until just before full time when Woodbridge added another unconverted try to Finish at 55-0.

Michael Did-Dell for a good shift in great adversity.

Proccy for missing touch with penalty kicks.

Scores

No Scores sadly.
