Report

Early huge pressure from the Babas and they're a certainty to score until a knock on… our scrum on Renegades try line. We clear to halfway, but quick full back wins a pen on halfway and they kick deep into our 22. They look a proper outfit at this early stage.

5' and it's still relentless from them. Another knock on deep into our 22 and we have a chance to clear. Good clearance from Max again. But we can't get our hands on it yet. Wave after wave

7' and we have some ball… and we use it well lots of hard running. breaks down with a knock on from Brendan but it's like a bar of soap out there. HUGE TURNOVER AT THE SCRUM WINS PEN FOR US. 8' HUGE BREAK FROM SUPER JOEY P. Unbelievable lung busting run and he's steamed through several before getting DUMP TACKLED on his shoulder… it's a penalty and we kick for goal, 3-0. This is a real contest

A great break from Aaron but there's another knock on in the mix. Gonna be a lot of scrumming.

13' another knock on. Our lineout on their 5m line from a series of great penalty kicks to touch from Max.

22' Another knock on – Geoff. Another scrum turnover from us and it's another attacking lineout on their 5m line.

Joey P has dropped it 5m out with try line beckoning but we're a million miles away looked like a gammy pass from Aaron.

28' their scrum inside their 22…

It has been all Gades last 15 mins

TRY RENEGADES 🎉

IT COMES FROM A YELLOW CARD PENALTY FOR THE Babas

A couple of crash pens and FAIERSY WITH THE BOMB LINE FROM THE CLOUDS AND HE WRESTLES HIS WAY OVER - kick is GOOD, 10-0.

36' TRY RENEGADES 🎉 It's a DOUBLE HIA for them as they both KNOCK EACH OTHER OUT and we score with the resulting scrum… it's hands to Ben who beats everyone in sight. and then slick hands fed back left and it puts Max Burton in, diving in the corner… it's a class finish. In a phone box.

38' TRY RENEGADES 🎉 UNREAL FROM SLUGZ!! It's lovely from Max again (MotM so far) and He's fed the ball from his own 22 to Slugz, and he does the rest on his 50th cap!! AFTER BURNERS IGNITE AND HE IS AWAY EVEN THE DUMMY SHOW AND GO AND HES IN UNDER STICKS Kick is good from the long jump pit, 17-0.

40' SLUGS PENALTY Given away and their lineout on half-way.

YELLOW CARD ETHAN FOR LATE TACKLE AND HALF TIME CALLED.

44' TRY FENLAND Barbarians. It's good hands out wide to the right and they break the line and flood through… it's an obvious forward pass to put in a forward under the sticks. Kick is good 17-7.

It's a great break from Ben… he's through to their 15m and goes down… Dougy ignores the massive overlap and goes the wrong way 😔 turnovers scrum them.

TRY RENEGADE S🎉 AND ITS SIR DROPALOT. It's a simple crash ball from BEN P off the scrum and they just can't stop him. It's like Moses and the Red Sea

Injury Geoff. Snapped Achilles possibly.

53' TRY RENEGADES 🎉 GREAT KICK OVER TOP FROM MAX B AND MAX H TURNS ON THE JETS AND HIM and Ben work well to turn it over and recycle left into hands of Bradley who finishes in the corner - tough kick missed 29-7.

58’ It’s great work through the hands from Ben, to Ross, back to Ben, to Ethan and he looks for all the world like he’s in, but he checks in and then throws one over his shoulder to Casper the ghost!

Geoff back up to his feet. It’s a miracle. I’m not sure he knows what a snapped Achilles means!

Faiersy spares Ethan’s blushes as he crashes in from short range and knocks over the line with a giant overlap waiting. Ben drops it. We turnover at scrum and they’re at 6s and 7s as the ball pings around and it drops to Ben under sticks, but he fumbles but somehow our scrum under the sticks. if it goes to Ben it’s Auto Try.

TRY RENEGADES 🎉 ITS Max H in the corner after a solid scrum and good hands through Ross and Max, 41-7.

78’ Ben Yellow card for too many tackles and being too strong

FULL TIME

I MISSED A TRY somewhere and it’s 41-7. Apologies

Matt ‘Fairsey’ Faires – for a cracking try and a great shift.
