Report

There was a game of rugby. It took a long time for Renegades to get a try which remained unconverted. The score remained at 5-0 for another long period. Eventually another of tries came not long before half time the second of which was converted. There was some drinking at half time and the game restarted. Then the floodgates opened and Renegades got try after try all of which were converted because they were all underneath the posts.

All credit to Wendens who never gave up, but they faced a Renegades squad which was strong and great in numbers.

Adjournment to the Fighting Cocks was followed by much singing, merriment and shredding off underwear. How quickly are traditions established.

Scores

Tries: Ben Powell (3), Mitchell Standing (2), Ross Catchpole (2), Andrew 'Baz' Mackay, Jake Sweet, Tom 'Strong Tom' HeathcoteH, Dan Stockbridge, Dan Tiezzi.

Conversions: Baz (10)

Ben Powell for scoring three tries and gifting the fourth even without the incentive of jug avoidance.

Whoever brought the port – shocking hangover on the 20th – I'm blaming the port.
